SYNOPSIS

Every night, three cursed villagers knock on your cabin door, and then a villain comes to take back the hope you gave them. Break each curse in fast falling-block puzzle battles, build your loadout, and try not to end up cursed yourself. Mexican folk-horror, eerie and funny.

KEY FEATURES

Match three or more in fast falling-block puzzle battles.
Chain combos to attack, defend, heal and drain.
Face three cursed villagers each night, followed by a villain boss.
Build your loadout on a shape grid and shop with a crow merchant.
Lose a battle, become cursed and keep going.
