Toxtli & The Moon Jar

PRESS FACT SHEET | UPDATED NOVEMBER 7, 2026

AT A GLANCE

Developer / publisher: Patolli (Patolli, LLC)
Release window: 2027; exact date to be announced
Platforms: Windows, macOS, Linux
Genre: Single-screen arcade platformer / Mexican mythology
Demo: Free demo available on Steam for Windows, macOS and Linux.
Price: To be announced
Press contact: Fernando Guardiola · fer@patolli.io

SYNOPSIS

Vacuum up enemies with a magic moon jar and blast them back out in a single-screen arcade platformer inspired by Mexican mythology. Clear randomly generated stages, solve tricky puzzles and take down giant bosses like Tonatiuh to stop the Star Lords. Every run is a new adventure.

KEY FEATURES

Vacuum enemies into a magic jar, then fire them back.
Clear randomly generated single-screen stages.
Solve puzzles, including a temple ballgame.
Fight bosses including Tetlcoatl, Tetlaxolotl and Tonatiuh.
Explore jungle, waterfall, desert, ice, ocean, temple and lava settings.

ABOUT PATOLLI

Patolli is a two-person Mexican indie studio making colorful retro games. Made by Mexicans, for everyone.
